

Missions Interlink Associate Fees 2018-2019

Annual Fee

There has been a 5% increase to the MI annual renewal fee this year. Apart from the other benefits, payment of the fee gives your staff and volunteers a discount for many MI activities, and provides access to reduced rates for [corporate travel insurance](#) and [long-term travel insurance](#).

Donation

As membership fees cover less than half of Missions Interlink's annual costs, we invite you to add a donation to assist with support for the National Director and other staff.

MI State Contacts

Persons named in this section will be entitled to vote on behalf of your organisation at MI meetings for state branches. However, everyone is welcome to attend meetings and is encouraged to be involved in MI activities.

Notes to assist in completing statistics and in calculating annual membership fees

Your membership level is based on the size of the organisation taking into account both personnel numbers (home and field staff) and an estimated donation income. Please indicate whichever level provides the **higher** result from the options provided in the following table:

A1	Up to 2 personnel or donation income less than \$200,000	\$305

The Mission Seek **Full Partnership** provides "featured organisation" status and access to the enquirer profiles that are lodged. It is available on payment of the full subscription. More information about Mission Seek Subscriptions [here](#).
