

Missions Interlink Advanced Security Training (MAST) Sydney & Melbourne, March 2019

Sanctuary Consulting and Missions Interlink are glad to host two interactive two-day security training courses in March 2019. This training is geared toward Christian expatriates such as m-workers, NGO workers, and other Great Commission workers. This course offers affordable security training to enhance your cross-cultural life and work.

Missions Interlink Advanced Security Training (MAST)

This is an interactive course that incorporates classroom learning, indoor and outdoor training, and role-play sessions. Participants are trained on relevant topics facing believers working in open and restricted access areas, including:

- Laying the Foundation: Developing a theology of risk & personal security in the context of ministry.
- Understanding the criminal mindset.
- Assessing threats and responding well.
- What's in a Question? Crafting an appropriate response to questions, queries and demands.
- Understanding hostile observation and surveillance.
- Active Shooter/Aggressor, Hostage Avoidance, and Survival.
- Vehicle Operations/Checkpoints/Carjacking Mitigation and Survival
