STATEMENT OF PURPOSES

Missions Interlink is a ministry of the Australian Evangelical Alliance Inc. (AEA) and embodies the AEA's generally expressed missionary concern, as well as modelling the AEA constitutional objects.

The purposes for which Missions Interlink is established are:

The advancement in Australia of effective cross-cultural and global mission for Christ's glory by:

Providing national forums where leaders and staff of Associate and Members may meet for prayer, fellowship, mutual understanding and encouragement; and to study, discuss, evaluate and formulate missionary challenges, principles, policies and practice, including the establishment and maintenance of ethical standards of conduct.

Fostering relationships and co-operation with the World Evangelical Alliance Missions Commission and its member bodies worldwide, with a particular concern for partnership with emerging missionary movements in the non-Western world.

Developing and maintaining networks (at both national and state levels) for the exchange of information and ideas for the mutual benefit of Associates or Members.

Promoting co-operation and co-ordinating joint action of all kinds and at all levels amongst Associates and Members so as to facilitate effective ministry and proper stewardship of available resources, and where appropriate, encouraging the amalgamation of agencies.

Speaking with a united evangelical voice to the Christian and general public on matters relating to missions.

Initiating missions research and promoting the study of missiology in consultation and co-operation with other research, resource and training institutions.

Publishing missions resources, including education and information materials.

Exchanging information and materials with similar bodies in Australia and overseas.

Conducting conferences, consultations, seminars and congresses on subjects important to the cause of missions, facilitating the presence of those from within Australia or overseas who can contribute significantly to such activities.

Approaching authorities in Australia and elsewhere on behalf of missionaries and Associates, Members or Affiliate Members, and where appropriate representing them, in matters relating to their welfare or responsibilities.

Promoting communication and discussion with churches and other Christian agencies on matters of mutual interest.

Co-operating with like-minded bodies in advancing any or all of these or similar objects.

STATEMENT OF FAITH

We worship the only God who is Father, Son and Holy Spirit, whose creative, outgoing love overflowed from the divine community to create the universe and who calls us to share in eternal life and love and to participate in the fulfilment of divine purposes.

In grace and humility Jesus, the only Son of the Father, shared our humanity and became our example of service and sacrifice. Out of love for the world he suffered the consequences of our sin and died in order to overcome the power of the evil one; to release humanity from alienation from God and from being captive to self-centred sinfulness; and to restore a disordered creation. The power of the Father defeated death and brought new life to Jesus who now reigns as Lord of all and who, through the active presence of the Spirit, calls for repentance, brings the possibility of forgiveness, and gives new life to all those who live in union with him.

Christians live in love by the power of the Spirit, who is the Spirit of Jesus, as a single community of God's people. We are filled with the Spirit who transforms lives and characters according to the example of the Lord Jesus, and the church is built up by the gifts of ministry and service which the Spirit brings. The life of the church is guided by God through the Scriptures which are uniquely inspired and the final authority for Christian faith and practice.

As a community of those who worship God and live in fellowship we are called to bring to everyone the good news of the salvation which can only be found in life with the Lord Jesus Christ. We are committed to work for justice in every society and to protect and enhance God's creation. While working for the kingdom in the present we also look forward to the return of the Lord Jesus bringing justice to all and the glorious, perfect kingdom of God.

This statement of faith should not be regarded as implying that the truths expressed in it constitute the only important truths of the faith. It is understood by Missions Interlink as being consistent with the historic statements of faith such as the Apostles' and Nicene Creeds, and also with the Australian Evangelical Alliance Doctrinal Statement and the Statement of Faith of the World Evangelical Alliance.
