

28 June 2016

Dear Mission Leaders

As MI commences a new membership year, you are receiving a renewal package including a declaration, invoice, and explanation. These documents can also be found [here](#). The leadership of Missions Interlink is excited about the ongoing implementation of our [strategy](#) to help build the capacity of our constituents through collaboration and representation.

You will have noticed that in recent years Missions Interlink has been improving and expanding its services as well as working to maintain the existing benefits provided through its status as a [Prescribed Institution](#) under the income tax regulations. We are pleased to see that many organisations are receiving considerable savings through the [MI Corporate Travel Insurance](#) program for their staff and volunteers, long-term travel insurance for their overseas personnel through [EA Mission Care](#), and use of the [Aldinga Beach Retreat](#).

This year we are including a new benefit for all Members and Associates as part of the annual fee - partnership in our [Mission Seek](#) facility at the basic level. This will allow your organisation to be listed as a Mission Seek partner, so it can upload its profile, advertise positions at home and overseas and list short-term mission opportunities. Further information about how you can maximise this service will be provided shortly. Enhancements to improve this facility are in progress and will be implemented later this year.

Other benefits your organisation receives through Missions Interlink include:

- Income tax exemptions for organisations and overseas workers, where relevant
- Representation and advocacy on matters at a national/government level
- Access to specialised information and resources
- Access to specialised information relating to charities
- Access to up-to-date news and events from the Australian and International missions community
- Participation in and reduced registration fees for national and state MI events and training programs
- Opportunities for collaboration, networking and fellowship with other agencies
- Discounted insurance for long-term travel from EA Mission Care
- Discounted corporate travel insurance through MI group travel policy
- Access to posting positions on Mission Seek
- Priority access to the Aldinga Beach Retreat

Missions Interlink will continue to work hard for all its constituents and we look forward to receiving your membership renewal. We hope that we will have the opportunity to meet you at upcoming [MI National Conference](#).

In Him,

Barry Borneman
Member, MI National Leadership Team
CEO, Wycliffe Bible Translators Australia

Omar Djoandy
Member, MI National Leadership Team
National Director, SIM Australia
