

Why become a full partner?

Key Reasons

1. Help your marketing team

Get more exposure for your organisation and opportunities with featured listings

Featured listings on MissionSeek: Full partners have their organisation, and listings periodically feature on the home page of MissionSeek.

Missions Interlink Newsletter: Free option to advertise listings in monthly Missions Interlink newsletter (upon request).

Social Media Network: Promotion of listings through Mission Seek's social media network (Facebook/Instagram). Upon request - no charge. Media needs to be provided.

2. Help your management

Only full members have access to the **dashboard module**

The dashboards provide **visual insight** on your listings, views, and applications

More features coming in this area. Love to hear what is helpful for you.

Current Listings

Trend

Expiries

3. Help your mobilisers

Gain full access to the **Applicant Tracking Module**.

Basic partners using this module are restricted to automatic applicants created via Mission Seek.

Full partners can manually add applicants from any source. This in turn provides **greater insight** (via dashboards) of where candidate leads are coming from. All applicants are stored online in the **one place**, and can be referred to at anytime.

4. Help your data-entry staff

Plug your website into MissionONE

Save time and money. Reduce errors

The details entered into MissionONE are available for your website.

For example: the opportunities and events that you enter into MissionOne can be displayed on your website. **Enter once - use twice.**

MissionONE

Enter once.

Use Twice.

Our Website

5. Help your event coordinator

Get more people to Events

Only full partners have access to the events module

Attendees can easily add your event to their calendar

Promote your events on Mission Seek (New feature)

6. Help your prospective candidates

Better looking listings

Full partners can add promotional media (video and/or image) to opportunities, jobs, volunteers roles and events. (Basic partners can only do this for short trips and courses).

Give mission seekers a better experience of your offerings.

Last plug - numerous features in pipeline.

7. Help us promote you.

Whether you're a basic partner or full partner **we want to help your mission work**. There is no additional charges to use MissionONE.

Full partnership (to gain the additional features) requires an additional annual subscription. Please speak to Missions Interlink for more details.

This is a non-profit project. **Full partner fees helps finance the promotion, extension, and support of MissionONE and Mission Seek.**

Maybe you have a donor that could sponsor your full partnership?
